

OPEN ACCESS 24/7

DEFIBRILLATORS IN VERWOOD and CRANBORNE – as of March 2023

Defibrillator locations are listed with postal address, what3words app. locator and accessibility to equipment. A map image and link to an interactive online map is shown overleaf. These locations were identified by a member of The Cranborne Practice Patient Participation Group. The Practice nor the PPG can vouch for registration or up to date maintenance of the equipment. The locations have also been identified through what3words, which indicates a unique combination of words that can be used to [find and share exact locations through the what3words app](#).
